

## **RBT /Behavior Technician/ ABA Therapy**

**We're growing!**

**Career Opportunities at MindSource Center**

### **Job Summary:**

MindSource Center, LLC is seeking energetic and motivated individuals to provide 1:1 ABA Therapy for children, adolescents and young adults with autism. This is a part-time hourly position that offers the potential for advancement in a growing and rewarding career. Come join our supportive, collaborative team of professionals and discover how you can make a meaningful difference in a child's life!

### **About You**

We are looking for caring, passionate and experienced individuals to provide effective home-based interventions in the Renton, Kent, Maple Valley, Auburn, Covington, and surrounding areas. You may be interested in this position if you are looking for:

- Part time work (10-30 hours/week)
- Work experience in a healthcare, education or therapeutic field
- Collaborative teamwork
- South King County location
- Excellent training and supervision
- Flexible schedule for work/life balance
- BCBA supervision

**What you will be doing:** Behavior Technicians provide in-home ABA therapy services to our clients with autism spectrum disorder and other developmental disabilities, under the guidance of our senior staff. Professional training and supervision is provided to Behavior Technicians to implement behavioral intervention programs to children, teens and young adults in their homes or other community settings.

### **Your qualifications**

#### **Required:**

- Must be at least 18 years of age or older
- High school diploma
- Reliable means of transportation
- Must pass criminal background check
- Strong interpersonal skills, able to build and maintain relationships
- Interest in working with individuals impacted by neurodevelopmental disorders

#### **Preferred:**

- RBT (Registered Behavior Technician) certification

- Bachelor's degree or coursework in psychology, education, or related field
- Experience working with children and/or adolescents
- Relevant experience with autism and/or other developmental delays

### **About Us**

MindSource Center, LLC is a state-licensed behavioral health agency located in South King County. Our professional team is comprised of seasoned, independently licensed practitioners who collaborate and share their expertise as part of a multi-disciplinary team. MindSource Center's autism specialists provide services such as mental health counseling, neuropsychological assessment and diagnosis, intensive family-based treatments, and ABA (Applied Behavior Analysis). We are conveniently located at the intersection of Highways 18 & 516 in Covington/South King County, Washington.

### **What we offer**

MindSource Center offers Behavior Technicians:

- Hourly rate commensurate with education and experience
- Mileage reimbursement
- Comprehensive training program
- Flexible Part Time schedules (10-30 hours/week)
- Potential for wage increases and career advancement
- Team oriented atmosphere, dedicated to helping children and families

## **BCBA-ABA Program Supervisor**

**We're growing!**

### **Career Opportunities at MindSource Center**

#### **Job Summary:**

MindSource Center, LLC is seeking clinical supervisors (BCBAs) to provide ABA therapy, supervision, and program management for children, adolescents and young adults with autism. This contracted position is ideal for independent practitioners who value their autonomy and also enjoy being connected with a supportive, collaborative team of professionals. Come join us and become a respected contributor to our vibrant professional team!

#### **About You:**

We are looking for experienced ABA supervisors ready to provide effective home-based behavioral interventions in the Renton, Kent, Maple Valley, Auburn, Covington, and surrounding areas. You may be interested in this position if you are looking for:

- Full time/Part time
- Flexible schedule for work/life balance
- Collaborative work with a multi-disciplinary professional team
- South King County location
- Opportunity to expand your skill base and supervise others
- Work autonomy
- Continuing education and training

**What you will be doing:** As Board Certified Behavior Analyst, you will develop and implement individualized treatment strategies for children diagnosed with autism spectrum disorders. Services will take place in the natural context of the child's home, school, or other community setting. ABA Program Supervisors have the opportunity to train, supervise and support direct service staff, and provide parent training and ABA program management.

#### **Qualifications:**

##### **Required:**

- BCBA certification
- Master's degree in Psychology, Special Education, Applied Behavior Analysis, or related field
- Strong analytical and organization skills
- Ability to work independently and collaboratively as part of a team
- Excellent time management skills
- Clinical experience in a position that utilizes Applied Behavior Analysis
- Reliable means of transportation and valid driver's license
- Must pass criminal background check
- Strong interpersonal skills, able to build and maintain relationships

##### **Preferred:**

- Demonstrated ability to supervise and train others
- Experience with challenging behaviors and/or mental health conditions
- Expertise in group therapy or social skill development
- Experience with mental health, child development or family-focused interventions

**About Us:**

MindSource Center, LLC is a state-licensed behavioral health agency located in South King County. Our professional team is comprised of seasoned, independently licensed practitioners who collaborate and share their expertise as part of a multi-disciplinary team. MindSource Center's autism specialists provide services such as mental health counseling, neuropsychological assessment and diagnosis, intensive family-based treatments, and ABA (Applied Behavior Analysis). We are conveniently located at the intersection of Highways 18 & 516 in Covington/South King County, Washington.

**What we offer:**

This unique opportunity combines the advantages of private practice with the collaborative clinical and business support that makes your job easy. Come join our friendly, multi-disciplinary team and help us grow our high-quality clinical services in the south King County area. MindSource Center offers BCBA's:

- Generous financial arrangement, commensurate with education and experience
- Part-Time or Full-Time
- Flexible schedule for work/life balance
- Collaborative work with a multi-disciplinary professional team
- Free CEUs
- Opportunity to expand your skill base and supervise others
- Work autonomy with potential to expand skills through unique and interesting work

To request a detailed job description or request an application, please call (253) 639-7146.

## **Licensed Mental Health Therapist**

**We're growing!**

### **Career Opportunities at MindSource Center**

#### **Job Summary:**

MindSource Center, LLC is seeking Licensed Mental Health Therapists (LMHC, LCSW, LMFT, PhD) to join our collaborative private practice team and provide general outpatient counseling services to children, adolescents, adults, families and/or groups. Preference is given to applicants with experience or interest in working with individuals impacted by autism. This contracted position is ideal for experienced private practitioners who enjoy being connected with a supportive professional team.

#### **About You:**

We are looking for independently licensed clinicians to round out our team with skill sets that meet the needs of our clinic's population. Preferred clinical skills include group therapy, social skills development, child therapy, and couples/family therapy. Specialists in treating neurodevelopmental delays, challenging behaviors, complex or multiple diagnoses, OCD, attachment issues and emotion dysregulation are especially encouraged to apply.

You may be interested in this position if you are looking for:

- Full time/Part time
- Flexible schedule for work/life balance
- A private practice opportunity with built-in business and clinical support
- Collaborative work with a multi-disciplinary professional team
- Work autonomy
- South King County location

**What you will be doing:** As an independently licensed clinician, you will be managing your practice within our shared clinic setting. You will be responsible for structuring your practice to reflect your unique talents and training, and for accepting or declining client referrals offered to you. You are responsible for managing all clinical and business aspects of your practice, and for maintaining clinical quality and documentation standards as required by MindSource Center's Policies and Procedures. MindSource Center provides a variety of business and professional services designed to support your success and promote your services as an independent practitioner.

#### **Qualifications:**

##### **Required:**

- Master's degree or PhD in Psychology, Counseling, Clinical Social Work, or related field
- Licensed to practice in Washington State
- Ability to work both independently and collaboratively as part of a team
- Clinical experience/specialty in treatment modalities or populations needed by our clinic
- Verification of professional certifications in areas of specialty
- Must pass criminal and LEIE background check

- Agreement to adhere to MindSource Center's policies and procedures

**Preferred:**

- Experience or specialty in neurodevelopmental treatments/populations
- Training/experience with child mental health and challenging behaviors
- Skills in providing group therapy or social skill development services
- Family-focused interventions/couples therapy specialty

**About Us**

MindSource Center, LLC is an established, state-licensed behavioral health agency located in South King County. Our professional team is comprised of seasoned, independently licensed practitioners who work collaboratively as part of a multi-disciplinary team. Our clinic is situated on a lovely, private lot bordering a salmon stream, yet is conveniently located in the heart of a growing medical community with easy access to Highways 18 and 516.

MindSource Center therapists serve a variety of clients, and are well known in our community for specialty in autism diagnosis and treatments. We provide general mental health counseling, neuropsychological assessment, intensive family-based treatments, group therapy, and ABA (Applied Behavior Analysis).

Due to our recent expansion to meet the high demand for our services, we are currently adding new positions for therapists with skills and specialties needed by our clientele. Our unique business model provides experienced therapists with an advantageous financial arrangement. Combined with many of the benefits that group/agency affiliation and private practice have to offer, this opportunity is ideal for practitioners who enjoy a balance of autonomy and professional collaboration.

**What we offer**

MindSource Center provides business and clinical support to private practitioners who wish to build a part-time or full-time practice at our south King County location. This includes:

- Part-Time or Full-Time
- Ability to manage your own schedule for work/life balance
- Collaborative work with a multi-disciplinary professional team
- Autonomy to self-manage clinical, financial and business matters
- Monthly clinical consultations, access to clinical support from our friendly, multi-disciplinary team
- Use of marketing tools, online presence, and promotional materials to boost your practice
- Affiliation with an established agency
- Potential to expand skills through unique and interesting work
